Springfield, VA – October 22, 2013, – Versar, Inc. (NYSE MKT: VSR) announced today that it has been awarded a task order contract from the Fairfax County Department of Public Works and Environmental Services. The contract is for the duration of one year and may be renewed at the County's option, for two additional years. The contract has a maximum limit of \$1,500,000 per year and involves detection, remediation design and management, and oversight services for a wide variety of potential environmental contaminants. Versar currently has two other contracts with Fairfax County, one for storm water and the other for cultural resources.

Jeff Moran, Senior Vice President Environmental Services of Versar said, "We are very pleased to have been selected for this important contract and look forward to continuing our work for Fairfax County, through this opportunity to provide high quality environmental engineering services."
