**Springfield, VA – November 12, 2013,** – Versar, Inc. (NYSE MKT: VSR) announced today that it has been awarded a \$8.8 million in subcontract extensions from HDR Environmental, Operations & Construction, Inc. The extensions provide for continued construction management and quality assurance operations in Afghanistan through July 2014 supporting the Air Force's construction responsibilities. These extensions bring Versar's HDR subcontract total to just under \$40 million over the life of the subcontract. Since 2006, Versar has been awarded construction management and quality assurance work in Afghanistan valued in excess of \$95 million.

Tony Otten, CEO of Versar, said, "We look forward to continuing our work with HDR EOC, providing construction management and quality assurance support to the Afghanistan reconstruction activities being led by the Department of Defense. This important subcontract is one of our many ongoing contracts in the region, and we believe this extension demonstrates the level of confidence our government has in the many services we provide."

**VERSAR, INC.**, headquartered in Springfield, Virginia, is a publicly traded global project management company providing sustainable value oriented solutions to government and commercial clients in the construction management, environmental services, munitions response, and professional services market areas.
