Springfield, VA – August 13, 2014, – Versar, Inc. (NYSE MKT: VSR) announced today that it has been awarded a \$98.3 million firm fixed price Design/Bid/Build task order for the repair of a runway at Dover Air Force Base in Delaware. This task order was awarded under Versar's S/R&M Acquisition Task Order Contract (SATOC) IDIQ with the Air Force Civil Engineer Center (AFCEC), held with our joint venture partner, Johnson Controls Federal Systems. The SATOC IDIQ primarily services AFCEC customers, providing a fast track, efficient method for execution of all types of facility repairs, renovations and construction. Versar will be the general contractor managing all work with our key subcontractors: American Infrastructure, Inc., Atlantic Electric LLC and Anthony Allega Cement Contractor, Inc.

Tony Otten, CEO of Versar said, "We have formed a strong team with our joint venture partner Johnson Controls Federal Systems and welcome this additional opportunity to work with AFCEC. We're confident that our team's capabilities are well matched to the requirements of the contract."

VERSAR, INC., headquartered in Springfield, Virginia, is a publicly traded global project management company providing sustainable value oriented solutions to government and commercial clients in the construction management, environmental services, munitions response, and professional services market areas.
