Springfield, VA – January 13, 2015, – Versar, Inc. (NYSE MKT: VSR) announced today that its joint venture with Johnson Controls Federal Systems has been awarded a \$2 million Sustainment, Restoration & Modernization (SR&M) Acquisition Task Order Contract (SATOC) with the Air Force Civil Engineer Center (AFCEC). The contract will provide construction services at Camp Arifjan, Kuwait including upgrades and repairs at the Oasis Dining Facility and HVAC re-engineering work at Building 505. The contract is a single award with a 20-month period of performance.

Rob Biedermann, Senior Vice President of Versar, Inc. said, “We are excited to have this opportunity to work with our joint venture partner to provide continued support to AFCEC. We are confident in our team’s ability to provide the high quality service this contract requires.”

VERSAR, INC., headquartered in Springfield, Virginia, is a publicly-traded global project management company providing sustainable value oriented solutions to government and commercial clients in the construction management, environmental services, munitions response, and professional services market areas.

VERSAR operates the corporate web sites, www.versar.com, and www.versarpps.com, and www.jmwaller.com.
