Springfield, VA – April 28, 2015, – Versar, Inc. (NYSE MKT: VSR) announced today that the team of AGEISS, Inc. (Prime Contractor) and Versar, Inc. (Subcontractor) was awarded a new contract from U.S. Army Corps of Engineers (USACE) Seattle District to provide comprehensive environmental quality support services at Joint Base Lewis-McChord and Yakima Training Center, Washington state. The firm fixed price contract has a maximum five year period of performance consisting of a base year and four option years. Versar's portion of this contract during the stated period of performance is \$11 million.

Jeff Wagonhurst, President of Versar said, "We are pleased to have this opportunity to continue our work with USACE Seattle. This award is a validation of the team we have formed with AGEISS, Inc. and we are confident in our team's ability to provide high quality professional services to match the requirements of the contract."

VERSAR, INC., headquartered in Springfield, Virginia, is a publicly-traded global project management company providing sustainable value oriented solutions to government and commercial clients in the construction management, environmental services, munitions response, and professional services market areas.

VERSAR operates the corporate web sites, www.versar.com and www.versarpps.com.
