**Springfield, VA – August 22, 2016** – Versar, Inc. (NYSE MKT: VSR) today announced that the U.S. Army Corps of Engineers, Savannah District, has awarded long-time teaming partner, Health Facility Solutions Company, a not to exceed \$8 million five-year (three-year base period and one two-year option) contract for the provision of construction management services. These services include assistance and guidance to field offices, construction quality assurance inspection and reporting, review of contract documents and shop drawings, review of Network Analysis Schedules and quality control plans, and investigation and reporting of construction contractor claims.

Versar's Chief Executive Officer, Tony Otten, said that "this is an important win for both Versar and Health Facility Solutions, with whom we have long been teaming partners. We look forward to working together to support USACE Savannah."

**VERSAR, INC.**, headquartered in Springfield, Virginia, is a publicly-traded global project management company providing sustainable value oriented solutions to government and commercial clients in the construction management, environmental services, and professional services market areas.
