Springfield, VA – August 15, 2016 – Versar, Inc. (NYSE MKT: VSR) today announced that the United States Army Corps of Engineers, Middle East District (USACE-MED) has ordered more requirements under Versar’s ongoing Iraq Personal Services Contract. By this modification, USACE exercises a second and final option year, ending in August 2017, and adds \$2.5 million in funding to the original contract. Under this contract, personnel supporting USACE-MED ensure the performance of quality assurance, warranty, material and equipment inspections and on-site monitoring of geographically dispersed construction sites requiring Iraqi National project, administration and technical support.

Tony Otten, CEO of Versar, noted that, “this second extension of our Iraq Personal Services Contract in support of the U.S. Army Corps of Engineers continues to demonstrate the strength of our partnership with the Middle East District contributing to our nation’s security interests and the stability of Iraq. Versar has provided such services to USACE-MED for the past twelve years and we look forward to continuing such support.”

VERSAR, INC., headquartered in Springfield, Virginia, is a publicly-traded global project management company providing sustainable value oriented solutions to government and commercial clients in the construction management, environmental services, and professional services market areas.
