Springfield, VA – January 18, 2017 – Versar, Inc. (NYSE MKT: VSR) today announced that on January 17, 2017, the Audit Committee of the Board of Directors of the Company (the "Audit Committee") approved the engagement of Urish Popeck as the Company's independent registered public accounting firm, effectively immediately. The Audit Committee also approved Urish Popeck to act as the Company's independent registered public accounting firm for the fiscal year ending July 1, 2016.

The appointment, which received the required approval of Versar's lender, Bank of America, followed the Company's acceptance of the resignation of Grant Thornton LLP as the Company's independent registered public accounting firm. The change in the Company's independent registered accounting firm is not expected to materially impact the Company's efforts to address its filing requirements with the Securities and Exchange Commission.

The Board of Directors of Versar extends its appreciation to Grant Thornton for its services as auditor. Working closely with its new auditing firm, the Company expect to work diligently towards satisfying all of the Company's filing requirements with the Securities and Exchange Commission within the next seventy-five days.

VERSAR, INC., headquartered in Springfield, Virginia, is a publicly-traded global project management company providing sustainable value oriented solutions to government and commercial clients in the construction management, environmental services, and professional services market areas.
