**Springfield, VA – July 6, 2016,** – Versar, Inc. (NYSE MKT: VSR) announced today that its wholly-owned subsidiary, J.M. Waller Associates, was competitively awarded the Architect-Engineer 2013 Environmental Services (A-E13ES) multiple-award contract with a combined contract ceiling totaling \$500 million for continued work on behalf of Air Force Civil Engineer Center (AFCEC). The contract provides for the performance of Title I and Title II architectural-engineering (A-E) and other A-E services, primarily for multidisciplinary environmental projects, including planning and programming, environmental restoration, quality (environmental compliance and pollution prevention), and environmental conservation services. Specifically, this contract is the follow-on to the former AFCEC 4PA-E08 contract and is intended to provide support for AFCEC's worldwide environmental program. The contract vehicle has a five (5) year period of performance, during which time additional work may be awarded/performed; work may also be performed for two (2) additional years following the base period.

Tony Otten, Chief Executive Officer of Versar, said: "We are very pleased to assist AFCEC in addressing such important environmental issues at many of its facilities worldwide. This contract will enable the Company to continue to serve a long-standing customer and accomplish several critical tasks on its behalf."

**VERSAR, INC.**, headquartered in Springfield, Virginia, is a publicly-traded global project management company providing sustainable value oriented solutions to government and commercial clients in the construction management, environmental services, and professional services market areas.

**VERSAR** operates the following websites: [www.versar.com](http://www.versar.com) and [www.versarpps.com](http://www.versarpps.com).
