**Springfield, VA – October 12, 2016,** – Versar, Inc. (NYSE MKT: VSR) today announced that the United States Army Corps of Engineers, Middle East District (USACE-MED), issued a new task order valued at \$14.8 million under the Company's existing services contract in Afghanistan. Under the new task order, the Company will continue providing support for Afghan engineering and technical staff and working with USACE personnel overseeing construction projects throughout Afghanistan.

Tony Otten, CEO of Versar, said, "Versar and our team of professionals are honored that USACE-MED has entrusted us with supporting this critical effort. We look forward to continuing to provide long term and cost effective engineering oversight throughout Afghanistan."

**VERSAR, INC.**, headquartered in Springfield, Virginia, is a publicly-traded global project management company providing sustainable value oriented solutions to government and commercial clients in the construction management, environmental services, and professional services market areas.
